WE VALUE
Commitment to Research
ASU provides research opportunities across all levels including real-time industry-led research.

Freedom to realign educational goals
A student can choose to change his/her degree or major even in later semesters and re-apply credits already gained.

Freedom to graduate at one's pace
ASU allows students to graduate at their own pace (early or late) by choosing their own customised path.

Trans-disciplinary approach
Strong focus on trans-disciplinary approach and research across all programmes and disciplines to solve complex problems and generate new knowledge.

WE PROVIDE
Innovative Academic System
Based on the best practices of the Ivy League Universities of the USA.

Dynamic Evaluation Procedure
Continuous and dynamic evaluation system including field projects, group discussions, research credits and take-home papers.

Unique philosophy and teaching methodology
Students and teachers at ASU discover knowledge and skills together. Small classes and well-equipped labs, combined with best ICT practices promise a rich and personalised teaching-learning experience.

Course choice and scheduling flexibility
ASU allows students the flexibility to take any course being offered by the university and customise their schedule in a semester to accomplish personal learning milestones.

Liberal Arts Approach
Broad, well-defined path to develop critical thinking and analytical skills, with liberal arts approach implemented through a ‘Core’ set of wide-ranging subjects and domains.

WE FOCUS ON
Relevant curriculum and syllabus
Well-designed, enriched and relevant curriculum that engages students and promotes critical thinking, creativity and achievement at all levels. Each course is carefully selected and vetted, and is revisited regularly in sync with the changing market dynamics based on ‘mark to market’ approach.

Flexible academic load
With a flexible credit system, students can choose to take between 12 to 18 credits per semester and are permitted to take a range of advanced classes.

Excellence in Research & Innovation
ASU is a robust seat of innovation and research in Applied Science and Technology, including support for research in emerging technologies, Biosciences, Clinical Research, Pharmaceutical Sciences and Electronics. State-of-the-art research and technology incubation facilities are available to students and researchers.

Strong Industry Interface
ASU has multiple associations with industries across the globe through its synergy with various Chambers of Commerce & organisations such as CII, FICCI, ASSOCHAM, PHDCCI, NEN, AIMA, NHRD, MEDICI Institute, World Brand Congress and CMO Asia. It also nurtures the concept of entrepreneurship through E-Cell and has a unique Incubation Centre supported by leading industries in different fields.
Dr. Stya Paul, eminent industrialist, educationist, philanthropist and freedom fighter provided the foundation and inspiration for the emergence of the Apeejay Stya Group and the Apeejay Education Society as trusted symbols of quality and excellence in the country’s industrial and educational landscape.

A pioneering entrepreneur with a far-sighted vision of the future, Dr. Stya Paul was instrumental in the rise of the Apeejay Group as one of the biggest industrial houses of independent India and was a leading architect of the country’s emergence as a self-reliant industrial superpower. As Chairman Emeritus, he guided the Apeejay Stya Group, a privately and closely-held leading Indian Industrial and Investment House, to become one of the major corporate houses of the country, with several alliances, collaborations and significant presence in Europe, Middle East and East Asia.

Dr. Stya Paul, fondly called Sethji, recognised the great role that industry could play in providing quality education. Towards this objective, he decided to set up not-for-profit educational institutions across the country where scientific and career-building knowledge could be provided along with inculcation of values and an appreciation of Indian culture, arts and heritage. Starting with a small school in Jalandhar in 1968, the 13 schools and 16 institutions of higher learning established by him over the last four decades under the aegis of the Apeejay Education Society have flowered to become symbols of excellence in their various disciplines, moulding the lives and careers of future generations of the country.

The year 2010 also saw the realisation of Dr. Stya Paul’s lifetime dream of setting up the Apeejay Stya University — a seat of global learning established to bring about transformation of society through value-based education, man-making and nation-building. Mrs. Sushma Berlia, Dr. Stya Paul’s daughter and only child, is the Co-Founder of the University.

During his long and illustrious career, Dr. Stya Paul was actively associated with several social, cultural and professional bodies and held responsible positions reflecting his versatility, leadership and standing in industry and social circles. His philanthropy and generosity knew no bounds, and throughout his life, he helped the physically-handicapped and the needy with financial assistance and educational/vocational opportunities, thus enabling them to join the mainstream. Over the years, numerous awards and accolades were bestowed upon him, in a life richly lived and full of sharing and caring.

A true Karmayogi, Dr. Stya Paul retained his zeal for hard work even in his advanced age and remained keenly involved in the management of the Apeejay institutions well into his nineties. Active till the very end, he departed from this world peacefully on June 7, 2010 while preparing to leave for office. But his life’s work and achievements, and the lasting legacy of excellence that he has left behind, will continue to inspire and guide us in all our endeavours. Like the ever-soaring falcon of Iqbal’s couplet that inspired Dr. Stya Paul throughout his life’s journey, his spirit will live on forever.
Mrs. Sushma Berlia, Chancellor, Apeejay Stya University is a leading woman entrepreneur, industrialist and educationist who has made outstanding contribution to industry, woman empowerment and education. She is the Co-Promoter & President of Apeejay Stya & Svrán Group – a major industrial & business house with diversified interests in India & abroad, and the President of the Apeejay Education Society that runs 29 educational institutions across India. She is the daughter and only child of Dr. Stya Paul - eminent industrialist, educationist and freedom fighter.

Mrs. Berlia became the President of the PHDCCI in 2005-06, becoming the first-ever woman to head a multi-state apex chamber in India. She is a Governing Body Member of the NBA for Technical Education, Member - Managing Committee of the PHDCCI, ASSOCHAM & ICC-India, Member - National Executive Committee of FICCI & Honorary Advisor - FICCI Higher Education Committee.

Mrs. Berlia has, over the years, played a leading role in formulating policies in educational reform & industry, and has delivered keynote addresses in numerous national/international conferences and published research articles in reputed national/international journals. As Founder Chairperson of the Education Committee of FICCI in 2004, she was instrumental in initiating & organizing the First Global Conference on Higher Education in collaboration with UGC. She has represented India at the UN World Social Summit in 1995 and delivered a keynote address on the ‘Role of Women at the Workplace’. Mrs. Berlia has also presented the business perspective of “The impact & challenges of the Global Economic crisis on Investment & Employment in India/ South Asia” at the DFID, London in 2009, and was part of the official delegation to the United States for the US-India Higher Education Summit in October 2011.

The Confederation of Indian Industry (CII) recently felicitated Mrs. Berlia for her outstanding contribution to academia and industry at the AICTE-CII University-Industry Congress 2012 & 4th Global Higher Education Summit.

Mr. Aditya Vijay Berlia, Pro-Chancellor of the Apeejay Stya University (ASU) & Member, Management Board of the Apeejay Stya & Svrán Group, is a young entrepreneur and educationist of the country who balances his role in the corporate world along with his philanthropic dedication to education. A graduate of Stanford University & an MBA from the Harvard Business School, Mr. Berlia has to his credit several innovative industrial, entrepreneurial & educational initiatives both in India and abroad. As part of the Management Board of the Group, he directs strategic projects & executes key entrepreneurial projects while holding direct operational roles in a number of Group companies. He is also well-known for his dedication to education & research and has been instrumental in developing the broad vision of the ASU. He is also the Founder of the Apeejay Stya Education Research Foundation i.e. dedicated to improving education in India through research and policy initiatives.

Mr. Berlia has been a champion of Design Think and Innovation. He serves on the board of the Apeejay Institute of Design, one of India’s oldest design schools and is the Founder of the Svrán Open Design Foundation. He is also a member of the CII National Committee on Design.

Mr. Berlia is a prolific writer, having authored a wide range of books and articles on education & technology. He is also the author of a National Best Seller fiction, named ‘Tantra by Adi’.

Mr. Berlia was recently conferred the Edupreneur 2013 Award for ‘Transforming Engineering Education in India’ by Engineering Watch, and the ‘Outstanding Educational Entrepreneur’ award at the World Education Congress Global Awards 2013, which recognised Mrs. Sushma Berlia has many awards to her credit, including the “Outstanding Businesswomen Award 2008” of the PHDCCI, the ‘International Lifetime Achievement Award 2009’ of the ‘International Congress of Women’ in collaboration with the Govt. of India, and a Special Honour by the Punjab Technical University in 2005 for her contributions in the field of Biotechnology, Life Sciences and Research.
Apeejay Stya University (ASU) is a seat of global learning that offers rich opportunities for innovative teaching-learning, creativity and research across disciplines. It aims to bring about transformation of the society through value-based education, man-making and nation-building by blending the dual identities of a technology and research based university with a liberal arts institution.

Established by the Apeejay Stya Education Foundation in the state of Haryana (under Act No. 10 of the Haryana Private Universities (Amendment) Act 2010), the ASU provides students not only ‘education for living and livelihood’ but also ‘education for life’ and empowers learners with a fundamental foundation in leadership and professional skills to face the challenges of the new liberalised global economy.

Situated amidst a sprawling, picturesque campus on the Sohna-Palwal Road in Gurgaon district of Haryana, the ASU offers a wide range of innovative graduate, postgraduate and doctoral programmes across a plethora of disciplines that are based on the best education practices of some of the leading universities of the world. These are greatly facilitated by the strong industry-academia linkages, already established by the existing Apeejay institutions of higher learning in all disciplines being offered by the University.

ABOUT THE UNIVERSITY

APEEJAY STYA LEGACY

OUR FOUNDATION
The University has been set up under the vision and untiring stewardship of Dr. Stya Paul, who spearheaded the cause of education for over four decades as the Founder President of the Apeejay Education Society (AES). His legacy of excellence is being carried forward by his daughter & only child Mrs. Sushma Berlia, who is also the Co-Founder of the Apeejay Stya University.

OUR ROOTS
The AES is a social commitment of the Apeejay Stya & Svran Group - a highly diversified industrial conglomerate known for its innovative approach to teaching-learning, research and reaching out to the community.

OUR INTELLECTUAL WEALTH
Apeejay’s higher education programmes span across leading colleges and professional institutes that offer over 85 courses at the graduate and postgraduate levels.

OUR STRENGTH
All the programmes of ASU meet rigorous quality standards and stipulations of curriculum, teaching-learning and research set by the various certification and accreditation bodies under the University Grants Commission (UGC).

THE APEEJAY STYA ADVANTAGE

India’s 1st Liberal Arts & Meta University 45+ Years of excellence in education

60,000 strong alumni network 29 educational institutions across the country

Quality education from pre-nursery to doctoral level Over 40,000 students and 2,200 teachers

More than 85 courses to choose from Excellent placement record

Mrs. Sushma Berlia, Co-Founder & Chancellor of ASU was conferred the ‘Exemplary Leader Award’ in 2013 for her outstanding contribution to industry & academia in Asia by Employer Branding Institute, World HRD Congress & Stars of the Industry Group at Singapore.

Apeejay Stya University was awarded the ‘Best Innovation by Private University’ at World Education Summit 2012 organised by AICTE, DGET, Govt. of India, UNESCO and Elets.

Mrs. Sushma Berlia, Co-Founder & Chancellor of ASU received the prestigious ‘Hall of Fame Award’ conferred on Apeejay Stya University at the 3rd Asian Leadership Awards 2013 held at Dubai.

The Confederation of Indian Industries (CII) felicitated Mrs. Sushma Berlia, Co-Founder & Chancellor, ASU for her ‘Outstanding Contribution to Academia and Industry’ at the AICTE-CII University-Industry Congress 2012 & 4th Global Higher Education Summit.
The Engineering curriculum at ASU instills the techniques and skills of problem solving and engineering design through the study of basic and advanced engineering science. This foundation is integrated with practical experience, which addresses both technical and non-technical aspects of engineering. The students get exposed to equipment and laboratory facilities designed in sync with the curriculum and various emerging fields like Mechatronics, Robotics, Drones. The Computational Science curriculum at ASU inculcates in its students the acumen to identify, analyse and solve complex engineering and business application-related problems. They extensively get hands on experience in co-specialising Cloud Computing.

PROGRAMMES OFFERED

BACHELORS
Bachelor of Technology (B.Tech.) in:
- Computer Science & Engineering in Cloud Computing
- Electronics & Communication Engineering in Drones & Satellites
- Mechanical Engineering & Product Design
- Civil Engineering (Applied Civil Engineering)

Duration: 4 yrs

B.Tech (lateral entry): Students of polytechnic and diploma of 3 years get direct admission to second year in any of the above related branch

Duration: 3 yrs

PG DIPLOMA
Cloud Computing
Duration: 1 yr

Ph.D
- Computer Science & Engineering
- Electronics & Communication Engineering

ADMISSION CRITERIA

BACHELORS
Educational Qualifications: 10+2 with English as a core subject and a PCM aggregate of 50%/GCE A-Level Exam/IB and 50% above LEET for lateral entry

Merit in Entrance/Other Criteria: JEE and other national & State Level Exam Ranks (JEE, BITSAT, UPSEE, DCE, etc.)/ASU Test or SAT I (PCM) + SAT II (PCM).

PROGRAMME FEATURE

Dynamic curriculum: Learn with projects, extensive workshops and hands-on activities. Get exposed to trans-disciplinary domains that make you a better engineer and technologist.

Build a career, not just a job: Pick up essential career skills in project management, cost-effectiveness and communication to enhance your employability and entrepreneurship skills.

Cutting-edge Infrastructure: A professional infrastructure combined with ergonomically-designed classrooms, engineering labs/workshops, conference rooms and seminar rooms, which provide an affable learning environment. This Wi-Fi-enabled campus has the latest engineering/IT software, educational aids and equipment to facilitate teaching-learning practices.
Laboratories and Workshop Facilities

Department of Computer Sciences & Engineering

Prominent labs include: Computer Fundamentals and Hardware Lab, Relational Database Systems Lab, Operating Systems Lab, Open-Source Lab, DOT Net Technologies Lab, Software Development and Testing Lab (IBM Rational Suite), Multimedia & Animation Lab, Artificial Intelligence Lab & Cloud Computing Lab

Department of Electrical, Electronics and Communication Engineering

Analog Electronics Lab; Microwave & Satellite Communication Lab; Optical & Mobile Communication Lab; Microprocessor & Embedded System Lab; Digital Signal Processing Lab; PCB design & Fabrication Labs; Embedded System Control Lab, Fuzzy Control Lab, Electrical Measurement & Instrumentation Lab, PLC & Advanced Control Lab. Electrical Technology Lab, Electromechanical Energy Conversion Lab, Mat Lab, Orcad Lab, Robotics, Drones among others.

Department of Mechanical Engineering & Product Design

Mechanical Technology & Hydraulics Lab; Applied Mechanics Lab; Strength of Material Lab; Engineering Graphics/CAD Labs; Material Science lab, Refrigeration and Air conditioning lab, Automobile lab, Solid Works 3D Lab; 3D Printer and CNC Lab Sheet Metal & Fitting Workshop; Carpentry & Pattern Making; Moulding & Casting; Product Fabrication and Welding Workshops, among others.

Department of Applied Civil Engineering

Surveying Lab, Concrete Testing Lab, Soil Mechanics Lab, Structural Analysis, Strength of Material, Transportation Engineering, Engineering Geology, Environment Engineering & CAD Lab among others.

Design And Innovation Centre (DICE)

The School has established Design and Innovation Centre (DICE) for the university’s faculty and students to undertake innovations and research in various areas of excellence. It uses industry standard software and hardware tools for simulation, optimisation and evolving quality designs.

The School has been conferred the ‘Best Engineering Institute in North India’ at National Education Awards 2013 by ET Now, Economic Times’ TV channel.

Apeejay Stya University’s School of Engineering & Technology, has been selected in 2013 as E-Gov. Campus of District Gurgaon by Ministry of Communications & Information Technology, in collaboration with the United Nations.

Apeejay Stya University has been selected in 2013 as E-Gov. Campus of District Gurgaon by Ministry of Communications & Information Technology, in collaboration with the United Nations.

Dr. Sarbjit Singh
Hon. Advisor School of Engineering & Technology

Dr. Sarbjit Singh is B.Tech from PEC, Chandigarh; M.Tech in Computer Science from IIT Kanpur & Ph.D from Punjab University. He has 30 years experience in Tele Comm., C3I systems , and over 12 years’ experience in computer based combat simulation before taking early retirement as Brigadier from Army in 1995.

While in army, Dr. Singh has been the Founder Director of the War Gaming and closely worked with armies of UK and USA, DRDO, C-DOT & ISRO for terrain map digitization and combat modelling. He has been the Joint Director, OIS for Field Army; Director, Telecommunications; Director, Satcom, Director Alkon Info System, Executive Director Future Computing Solution, India . He has also worked on telemetry control for Oil India pipe line operations. For over 10 years, he has held a number of senior level positions in the corporate sector designing, executing software projects for ERP in Manufacturing, e-Business, e-Publishing for clients in USA/India. He has been a part of the Apeejay Higher Education since 1999 and has played a catalyst in establishing strong industry connects.
The programmes of the School of Design & Visual Arts have been framed to produce professional designers, artists, and design entrepreneurs who are capable of setting new trends, are dedicated to raising people’s standards of living and wish to make the world a more beautiful place to be.

PROGRAMME FEATURES
- The School of Design and Visual Arts carries forth the legacy of over two decades built by the Apeejay Institute of Design (AID), New Delhi
- Curriculum designed and developed in sync with the changing dynamics of the industry, wherein research forms one of the key thrust areas
- Discover and align your course with your individual interests in other disciplines
- Design solutions which are conceptualised and fabricated at the campus itself, in its studios and labs
- MoUs & collaborations with leading foreign institutions/universities for students and faculty exchange along with curriculum/research support

PROGRAMMES OFFERED

BACHELOR OF DESIGN
Duration: 4 yrs
Specialization in
- Fashion Design
- Graphic Design
- Interior Design
- Animation & Multimedia

M.A. IN DESIGN
Duration: 2 yrs
Specialization in
- Fashion Design
- Graphic Design
- Interior Design
- Animation & Multimedia

INTEGRATED M. DESIGN
Duration: 5 yrs
Specialization in
- Fashion Design
- Graphic Design
- Interior Design
- Animation & Multimedia

LABORATORIES AND WORKSHOP FACILITIES
- All creative ideas and concepts are frozen in well-equipped Design studios with facilities like spot lighting, full scale Boards for freedom to sketch and illustrate, and custom-designed furniture to set the right mood for students of design.
- The students have access to state-of-the-art computer labs and latest graphics/design software to shape their ideas into reality.
- Each specific area of Design Studio is attached to a specific Workshop. The Fashion Design, for instance, is attached to a Fabrication Lab, wherein, all design concepts are actually fabricated into garments with the help of latest machines.
- Similarly, Visual concepts are carried out in the Photography Lab and all design concepts of the Interiors are fabricated in the Carpentry Workshop aided with the latest equipment.

ADMISSION CRITERIA
Bachelor in Design & 5 Years Integrated M Design
Educational Qualifications: 10+2/ equivalent with minimum 50% in aggregate from any recognised board. A qualification from any Foreign Board needs an equivalency Certificate. Admission Note: Students appearing/to appear in 10+2 examination are eligible to apply.

Masters - M.A. in Design
Educational Qualifications: 10+2 equivalent with minimum 50% in aggregate from any recognised board +3 (Graduation)

PROF. REETU BETALA
Dean, School of Design & Visual Arts
Apeejay Stya University

Enriched with 37 years of experience in Design Education, Training & Industry, Prof. Reetu Betala has developed and designed curriculum and held important portfolios like Moderator, Examiner and Consultant to the Delhi State Govt. She has established pioneering programmes in liaison with industry and institutions; worked with craft clusters for revival projects and established training centres for the minority communities in collaboration with State and Central Govt., State Technical Education Boards, State and Central Universities, Ministry of HRD and Independent bodies. Prof. Betala has worked as a designer for Indian companies and American Fashion Houses in the areas of designing, developing and sourcing for apparels and textile ranges for the American and European markets.
The programmes at the School of Journalism & Mass Communication are especially designed to train students in the emerging areas of media and entertainment sectors. The courses have been structured with the aim of equipping aspiring students for various media platforms such as Television, Radio/FM, Advertising, Public Relations, Corporate Communication, Event management, newspapers/magazines and digital media jobs such as content writing, citizen journalism, and online marketing (including mobiles/wireless, search engines, web designing and development of online audio and video content).

**PROGRAMMES OFFERED**

**BACHELORS**
- B.A. (Hons.) in Journalism & Mass Communication
  - **Duration:** 4 yrs
  - *There is an exit provision after 3 years in which case the student would get pass degree instead of honours degree.*

**MASTERS**
- M.A. in Journalism & Mass Communication
  - **Duration:** 2 yrs

**DOCTORAL**
- Ph.D in Journalism & Mass Communication

**PROGRAMME FEATURES**
- Perfect blend of theory and practice with students getting hands-on training, internships in various media houses
- Industry-inspired curriculum
- Collaborations with University of Central Florida (USA), Edith Cowan University (Australia) and National University of Singapore (Singapore)

**LABORATORIES AND WORKSHOP FACILITIES**
- **Television Studio:** The acoustically-treated TV Studio’s floor is adequate for recording news shows, quiz shows, plays and serials.
- **Video Editing:** Lab equipped with latest editing units (Avid Xpress HD and Power MAC G4 with Apple Final Cut Pro & Adobe Production Premium) to offer purposeful training to the aspiring students.
- **Internet Radio - STYAVANI:** The School operates an internet radio, providing students an opportunity to broadcast its own programmes. Also called the ‘Voice of the Apeejay Stya University’, Styavani can be accessed through the link: [http://university.apeejay.edu/styavani](http://university.apeejay.edu/styavani)
- **Computer Centre:** The School has fully air-conditioned computer laboratories which are equipped with the latest computer systems in LAN environment, with high speed internet facility, multimedia and media application software.
- **Cameras:** The School has acquired the latest digital cameras for both studio production and outdoor recording; digital cameras for still photography and for practical training in camera aesthetics & operations.

**ADMISSION CRITERIA**

**BACHELORS**
- Educational Qualifications: 10+2 from CBSE or equivalent with minimum 50% marks in aggregate
- Other Criteria: Interview

**MASTERS**
- Educational Qualifications: Bachelor degree from a recognised university
- Other Criteria: Interview

**DOCTORAL**
- Academic Qualifications: 60% aggregate in the Masters Degree
- Other Criteria: Submission of research proposal and presentation

**PROF. ASHOK OGRA**
- Hon. Advisor, School of Journalism & Mass Communication
- Apeejay Stya University
- Prof. Ashok Ogra comes with over 30 years of experience in Print, Television and Teaching. His core competencies lie in the areas of Media Management, Broadcast Planning & Operations and Branding. Formerly, Vice President, Discovery Channel (South Asia), he has also served as Director, Doordarshan and All India Radio, apart from being a Faculty Member at Film & TV Institute, Pune. A widely acclaimed personality in the Indian and international sphere, he is a member of various selection committees for a number of companies and has been a film festival jury member.

**PROF. PERVAIZ ALAM**
- Dean, School of Journalism & Mass Communication
- Apeejay Stya University
- Prof. Pervaiz Alam is a renowned broadcast journalist with over 30 years of experience. He started his career with All India Radio as ‘Programme Executive’ in New Delhi & went on to win several Akashvani Awards. He has spent more than 15 years with BBC, working as a Senior Producer. Prof. Alam recently headed the BBC World Service Trust Radio Drama Project. At BBC World Television, he was the Executive Producer of programmes such as India Business Report, Question Time India, Hardtalk India and Question Time Pakistan. As a guest faculty, Prof. Alam has taught at the Ealing, Hammersmith & West London College, BBC Training Workshops, Lady Shri Ram College for Women and many other reputed institutes.
The School of Biosciences brings leading scientists of the country and eminent industrialists based in established bio-businesses on the same platform to jointly generate quality manpower with skill sets to match the requirements of the industry. With Industry associates Martin & Harris, Walter Bushnell Healthcare and ASG Biochem Pvt. Ltd, a high profile multi-tiered programme has been designed to cater to different levels of the knowledge-intensive biotech, bio-pharma and healthcare sector. The school also aims at developing indigenous bio-products/diagnostic kits within reach of the average populace in the country. The School has a strong community commitment to provide Biology & Allied Sciences outreach support to less privileged schools and colleges.

LABORATORIES AND WORKSHOP FACILITIES

The School provides technical expertise & state-of-the-art instrumentation. Separate labs have been set up for Molecular Diagnostics, Immunodiagnostics, Microbiology & Culture Techniques, Biochemistry & Enzymology, and Bioinformatics & Analytical Techniques.

These laboratories serve to train students and also provide a platform for world-class research in Bio and Clinical Sciences.

The sophisticated equipment includes: Thermal Cycler with Real Time option; Gel-Documentation System and ELISA Plate Reader; High Speed Refrigerated Centrifuge (Sorvall); Electrophoresis Apparatus Laminar Flow; Spectrophotometer (Shimatzu); HPLC and LC-MS, among others.

The key projects include:

- Genetic diversification in birds using DNA markers
- Eco-physiology of the circa annual biological clock
- Thyroid homeostasis in pregnancy
- Thyroid management in cardio patients
- Epidemiology of iodine deficiency disorders
- Early detection of cervical cancer using non-invasive methods & DNA markers
- Pharmacogenomics of Type II Diabetes
- Enzyme-Biosensors for disease and environment
- Blood-brain barrier and drug delivery
- Natural products and immune-modulation in Cancer

PROGRAMME FEATURES

Innovative Pedagogy: Get exposed to interactive seminars, brainstorm and virtual learning sessions. Bird watch, nature trails & Learn-while-Serve Community Outreach to provides experiential learning opportunities.

Centre of excellence: The School has its publications in top 1-10 % World Science journals. ASU’s faculty is first in the country to bring immunoassay technology to rural population for diagnostic purpose.

Global recognition: Research has placed the country (and the School) on the world map in Vertebrate Endocrinology (including humans) & Ornithology challenging many a myth and providing new insights. Our faculty serves on various international committees and is regularly invited to present work, review and chair international conferences all over the world.

ADMISSION CRITERIA

BACHELORS

Educational Qualifications: 10+2 in Science with English as one of core subjects and aggregate of min 60% marks.

Merit in Entrance/Other Criteria: Consistent academic performance + Interview

MASTERS

Merit in Entrance/Other Criteria: Consistent Academic Performance + Interview

DOCTORAL

Educational Qualifications: 60% at M.Sc. level in relevant area with consistent good academic record

Merit in Entrance/Other Criteria: Written Test, Presentation & Interview
SCHOOL OF PHARMACEUTICAL SCIENCES

The programmes of School of Pharmaceutical Sciences at ASU have been designed in collaboration with pharmaceutical organisations of repute. The newly launched R&D centre for pharmaceutical research will further ensure a holistic and experiential learning for the students. The students at the School would be familiarised with the knowledge of formulation development from basic drug designing to final stages of clinical trials.

PROGRAMMES OFFERED

B. PHARMACY (PCI Approved)
Duration: 4 yrs
Applied Pharmaceuticals and Healthcare
(A interdisciplinary Industry oriented course endorsed by reputed industrialists based on pharmaceutical technology & innovation.)

M. PHARM. IN PHARMACEUTICS
Duration: 2 yrs
M. Pharm. + MBA
3 Years Dual Degree Programme

P.G./EXECUTIVE DIPLOMA
Duration: 1 yr
- Novel Drug Delivery Systems (NDDS)
- Intellectual Property Rights
- Pharmacovigilance
- Pharmacoeconomics
- Pharma Sales Management
Ph.D. in Pharmaceutical Sciences

PROGRAMME FEATURES
- Industry experienced faculty with avant – garde research
- Cutting edge research labs with sophisticated and latest instruments
- Industry centric curriculum
- Research opportunities at all levels
- Hands on training and placement in varied pharma sectors
- Strong Industry Academia Linkages
- International Library with free access to indexed journals

ADMISSION CRITERIA

BACHELORS
The candidate must have passed 10 + 2 examination (with minimum 50% marks) of the Board of School Education, Haryana, Bhiwani, or any other Board/University, recognised by this University, with Physics and Chemistry as compulsory subjects, along with any one of the subjects, viz., Mathematics/ Biology/ Biotechnology/ Computer Science.

MASTERS

LABORATORIES AND WORKSHOP FACILITIES

The School of Pharmaceutical Sciences offers highly advanced lab infrastructure with sophisticated instrumentation for pharmaceutics, novel drug delivery, pharmaceutical chemistry, analytical techniques and pilot plants. The centres train students to formulate and analyze drug delivery systems from inception to final delivery route and gives them an opportunity to work on pilot projects.

THE SCHOOL HAS TWO CENTRES OF EXCELLENCE:

Centre for NDDS: It caters to research in area of nanotechnology and formulating novel drug delivery systems for targeted delivery. The centre trains students to formulate and analyse drug delivery systems from inception to final delivery route and gives them an opportunity to work on pilot projects.

Centre for Formulation Development & Analysis: This Centre is designed to expose students to various formulation development stages of diverse formulations from oral to trans-dermal to parental routes and their evaluation using analytical tools like UV, HPLC, LC-MS, FTIR, among others.

EDUCATIONAL QUALIFICATIONS

BACHELORS
Educational Qualification: B. Pharm. or equivalent with min. 50% aggregate

PG DIPLOMA
Educational Qualification: B.Pharm./M.Pharm./M.Sc. Biochemistry/M. Sc. Biotechnology/BAMS/BHMS or equivalent (with min. 50% aggregate)

DOCTORAL
Educational Qualification: Master’s in Pharmacy (M. Pharm.) or equivalent with first division.

OTHER CRITERIA: Written assessment and interview

DR. ANUPAMA DIWAN
Prof. & Programme Director
School of Pharmaceutical Sciences

Dr. Anupama Diwan comes with a research and teaching experience of over 19 years. Before joining ASU, she has served at senior positions in leading companies like Modi-Mundi Pharma Ltd., Parivar Sewa Sanstha and Wings Pharmaceuticals. Dr. Diwan has carried out research in areas of pharmaceutics, drug delivery systems, pharmacokinetics, quality assurance, drug design and NODS. She has supervised over 35 students and 10 Ph.D scholars and has authored six books and published over 100 research, reviews and posters in various national & international journals. Dr. Diwan has carried joint researches with pharma industries of repute like Piramal Health, Arbro Pharm., Promed and Pfizer, among others.
SCHOOL OF MANAGEMENT SCIENCES

The School of Management Sciences (SoMS) expresses the University’s vision by adopting a trans-disciplinary approach to teaching. This is supplemented by applying the ‘kaizen’ philosophy to pedagogy and course design. SoMS follows the Marking to Market strategy, wherein contemporary and emerging topics are dynamically incorporated into the curriculum. Student and faculty exchanges maximally utilise our rich network of associations with institutions across the globe and nurtures entrepreneurial instincts for success in today’s globalised world.

PROGRAMME FEATURES

Over 45+ year of excellence in Education: 29 educational institutions in the country and 60,000+ strong alumni network

Strong Lineage: Carrying forth the legacy built by the Apeejay School of Management (ASM), Dwarka, ranked among top 1% private Management Institutes in India (Outlook/ Business India magazine, Competition Success Review, 2014)

Extensive Industry Exposure: Built-in industry linkages and internships, enabling not only promising placement opportunities but also a great career growth

Beyond Theory: Emphasis on projects, group discussions & practicals in all areas of management

MoU with foreign University/Institutes: Exchange programme with Normandy Business School (France), MoU with ACCA, NSE and Oxford Brookes University

ADMISSION CRITERIA

BACHELORS

Educational Qualifications: 10+2 from CBSE or equivalent with minimum 50% marks in aggregate

Other Criteria: Interview

MASTERS

Educational Qualifications:

• MBA: Graduate with 50%; preferably valid score in MAT/CAT/ XAT/GMAT/ CMAT (entry level tests)
• Integrated MBA: 10+2 from CBSE or equivalent with minimum 50% marks in aggregate

Other Criteria: GD & Interview

DOCTORAL

Educational Qualifications: Minimum 55% marks in aggregate in Master’s Degree or equivalent in Management / allied disciplines.

Other Criteria: Written test and Research Proposal presentation.

LABORATORIES AND WORKSHOP FACILITIES

The School of Management offers a robust infrastructure to support its teaching-learning processes. Some of these include state-of-the-art computer labs and modern classrooms equipped with LCD projection systems. To encourage research and data-based learning, the School provides various tools and softwares like SPSS (Statistical Package for Social Sciences) and corporate data bases like Capitaline Plus and Prowess. The School possesses an adequate number of well-furnished halls for conducting academic activities like EDPs, seminars, and conferences.

PROGRAMMES OFFERED

BBA (Hon)

Duration: 4 Yrs (with Exit Option after 3 years)

B.Com (Hon) Accounting & Finance

Duration: 4 Yrs

BBA (Hon) Financial Markets

Duration: 4 Yrs

*BThe dual benefit with NSE certification/ ACCA certification respectively (along with dual degree by Oxford Brooks University)

Master of Business Administration (MBA)

Duration: 2 Yrs

• MBA (Finance, Marketing)
• MBA (Family Business)

Executive MBA in Educational Management & Leadership **

Duration: 18 months

** The programme is being offered by School of Education in collaboration with School of Management Sciences

Ph.D. in Management

Research areas include Human Resources, Information Technology, Marketing
The School of Education endeavours to provide quality education to meet the global challenges of school education and to prepare teachers as instruments of social change, in order to achieve high ideals of social justice and a democratic society. A significant feature of the School of Education is its extensive education programmes. The School organises workshops and in-service training programmes for school teachers to update their knowledge and skills.

LABORATORIES AND WORKSHOP FACILITIES
The students at the School of Education have access to a wide range of instructional and computing resources, including a state-of-the-art Technology Lab, Art and Craft Centre, Psychology Lab, and a well-equipped Resource Centre (with teaching aids and resources for all specific levels of teacher education programmes offered) that prepare them for their roles as educators and leaders in education.

PROGRAMMES OFFERED
Bachelor in Education (B.Ed.)*
* Proposed programme to commence shortly.
NCTE approval awaited.

Executive MBA in Educational Management & Leadership
Duration: 18 months
(The programme is being offered by School of Education in collaboration with School of Management Sciences.)

PG Diploma (To commence shortly)
- Early Childhood Care Education
Duration: 1 yr
Ph.D in Education

PROFESSIONAL QUALIFICATIONS

DOCTORAL
Educational Qualifications:
- 55% marks or its equivalent grade in Master's Degree in Education, Social Sciences and Allied Disciplines from a recognised university
- Candidates possessing Master's degree in other areas/any inter-disciplinary subjects may also be considered if he/she has proven record of work/publication in their respective area
- The admission to the Ph.D programme will be based on the merit of the candidates which will be determined separately for the candidates seeking admission through Research Entrance Test (RET) and through Direct Admission

PROF. V.S. GARG
Hon. Advisor, School of Education Apeejay Stya University

Prof. V. S. Garg is a noted educationist who has been actively involved in educational innovation and research for over four decades. He has served as the Chief Examiner, A/L, at the University of London, and has worked as Professor & Head at NIE, Bhutan.

A Chartered Physicist from the Institute of Physics, UK, and a trained teacher-educator from the College of Education, Edinburgh & the Institute of International Studies, Columbia University. Prof. Garg has served in the United Nations and the US Peace Corps as a Teacher-Educator for over 15 years. He was conferred the 'UN Award for Exceptional Contribution in the field of Science Education'. Prof. Garg was awarded the UGC Research Fellowship while working at IIT, Kanpur. He is also a recipient of the Commonwealth Foundation Award in Education [UK]. Prof. Garg is presently working as Educational Advisor, Apeejay Education Society, for the past 16 years.

DR. JOEL M. RODNEY
Dean (Academics) Apeejay Stya University

Dr. Joel M. Rodney earned a BA in History, cum laude, from Brandeis University in 1959 and a Ph.D in the History of England from Cornell University in 1965. Dr. Rodney taught at Washington State University from 1963 to 1969 and has held various positions in different universities and colleges of USA. He was Associate Professor of History and Campus Executive Officer and Dean of the University of Wisconsin-Washington County, from 1990 to 2003. He also served as the Chancellor of the Penn State York and as the Chair of the Penn State Commonwealth Campuses India Initiative articles since 2007. In 1971, he was awarded a 'Summer Fulbright' grant to India and has been involved in Indian/US joint ventures with Elmira and Rockford Colleges as well as with the University of Wisconsin and the Pennsylvania State University.
ASU GLOBAL EDGE
Apeejay Stya University has put in place MoUs with many international institutions and universities to extend a global exposure to its students and faculty. Apart from identifying and developing collaborative research projects, the MoUs entail student and faculty exchange programmes and designing of other mutually beneficial potential academic modules.

ASU's faculty has to their credit numerous publications in journals of national & international repute. The students are exposed to a number of guest lectures by international faculty and undertake joint research projects throughout the year.

SVRÁN OPEN DESIGN FOUNDATION
Apeejay Stya University launched the Svran Open Design Foundation (SODF) at the 13th CII Design Summit 2013 in the presence of the best Indian and international design thinkers, practitioners & supporters, as well as industry leaders. SODF plans to provide 10,000 students with a Design Tools Pack that has basic design tools and tutorials to get them access to industry standard materials. It plans to train 1,000 school teachers in basic design principles indirectly impacting about 200,000 students. The Foundation has also appealed to Indian organisations to join its cause, so as to greatly amplify its impact. Organisations could contribute by way of time of their employees to hold workshops for students in schools and colleges, monetary contribution towards specific projects, or through donations in kind such as computers and DVDs.

The Foundation believes that everyone is a Designer, and that everything and anything can be designed! It believes that design thinking and design principles can fundamentally help us shape our world and that everyone should have free access to the knowledge and tools of Design.

Over 100 schools across 17 states and leading organisations across different industries with almost 50,000 employees have already become members of this revolutionary initiative even before the formal launch. Mr. Aditya Berlia, Pro-Chancellor, Apeejay Stya University, is the Founder of SODF.

For more details, you can visit: http://www.svranopen.org

ASU Design Innovation Workshop 2012 in collaboration with Massachusetts Institute of Technology (MIT) Media Labs, USA
Apeejay Stya University – a social commitment of the Apeejay Stya & Svrán Group – is offering a Foundation Years’ Scholarship on the standard tuition fee for all its undergraduate and postgraduate programmes.

The Scholarship is in commemoration of the foundation years of the Apeejay Stya University – starting from 2010 (the year of its establishment) to 2016 (when the Apeejay Stya Group completes 50 years of its legacy of educational excellence in the country that began with the establishment of the Apeejay Education Society in 1967).

The scholarship amount ranges from `70000 to `210000 per annum, based on the scholastic and co-scholastic credentials/achievements of each eligible student.

Please visit ASU’s website university.apeejay.edu for the detailed fees of the various undergraduate, postgraduate & doctoral programmes.

FINANCIAL AID
We at ASU understand that pursuing quality education can be an expensive proposition. However, we strongly believe that limited financial means should not bar meritorious students from receiving an Apeejay education.

Our admission counsellors can assist you in exploring a variety of options suited to your individual circumstances and financial needs. A few of these include:

**Merit Scholarships**: ASU offers several scholarships and financial aid programmes on merit-cum-means basis to students. These are available to students who have achieved certain minimum performance standards in competitive examinations (or qualifying examinations) or to students who are genuinely unable to meet their higher education expenses. The admission committee and financial aid committee evaluates each candidate on a case-by-case basis.

Financial aid is available on a merit-cum-means basis. Those who wish to apply for financial aid must fill the requisite application along with the admission form. Financial aid is also discussed with the student during the admission process. For those who prefer other options, we also coordinate with banking institutions to provide low interest loans.

**Grants And Fellowships**: Students applying for Masters and Doctoral programmes are eligible for a number of research grants and teaching fellowships which range from teaching courses to acting as faculty and research assistants in on-going projects and academic programmes.

**Campus Part-Time Jobs**: The ASU campus offers a number of opportunities for part-time jobs to all students. These may range from assisting professors in their academic and research pursuits, to openings in staff positions within University departments. A regular list of campus jobs available to students is published at the beginning of each semester.

In remembrance of Dr. Stya Paul, the great visionary, philanthropist and freedom-fighter, the Apeejay Stya University offers the ‘Dr. Stya Paul Memorial Scholarship’.

Under this prestigious scholarship, the university offers 100 best scholastic achievers of the country the opportunity to pursue their studies and achieve their dreams at the Apeejay Stya University. These meritorious students are given 95% scholarship on the tuition fee on all Bachelor programmes, and they only have to contribute a total of `10,000 per year on the tuition fee for each year of their degree.

**Who is Eligible?**

- All students who have appeared for their 10+2 examinations at the CBSE Board (or equivalent Board recognised by ASU) and have secured 90% and above aggregate
- Those who are awaiting their Board results this year (but have scored 90% aggregate in their Pre-Boards) can also apply

**How to Apply?**
Interested candidates are required to fill up the Scholarship Application Form along with the regular University Application Form. Both these forms can be filled online on the University’s website itself, or obtained from the University or Admissions’ Office.

Those who are awaiting their Board results and have applied for the scholarship and admission based on pre-board marks, will be offered provisional admission. In case a student fails to gain 90% aggregate in the Board examination, the Scholarship will be cancelled and the admission would be transferred to the general admission category.
LIFE @ ASU

A TRULY INTERNATIONALCampus
Life at Apeejay exudes a cultural vibrancy and a great sense of community, thanks to the unique confluence of students from diverse nationalities, states and backgrounds, all of which leads to a rich exchange of knowledge and experiences between students, making them more enlightened, sensitive and appreciative of world cultures.

ASU has a truly global campus with students from over 15 countries including Bangladesh, Nepal, Bhutan, UAE, Uganda, Rwanda, Congo, Angola, Nigeria, Zambia, France, Turkey, Oman, Tanzania, Afghanistan, Kazakhstan and Mongolia, among others.

Their presence has brought a great confluence of cultures into the campus, especially in terms of languages spoken, which include Spanish, Portuguese, French, Hausa, Yoruba, Bhutanese (Dzongkha), Nepali, Bengali and Arabic, lending a multi-cultural and multilingual ambience to the university.

ASU also organises International Student Associates Programmes at the university’s hostel wherein the senior students act as the main support system to the international students. The university also regularly conducts country-specific cultural events in addition to other interactive activities & events. All the above have made ASU an ideal home away from home for its international students.

We take great pride in our infrastructure and its aesthetic contribution to the learning process. We have made tremendous investment in the development and layout of academic and social spaces, be it state-of-the-art ICT-enabled lecture rooms, conference halls, computer & science labs. The entire campus is Wi-Fi enabled including the hostels and library.

With its vast library, cafeteria, green areas and indoor/outdoor sports facilities (including gym), the ASU campus provides a 360-degree solution to all the needs of its students.

HOSTELS
ASU provides affordable residential accommodation integrated within the campus to promote dialogue among students, their peers, and faculty members. The ASU hostels are a perfect place to stay away from home. Overlooking green manicured lawns, spacious girls and boys hostel and studio apartments are available at the campus. They offer single or double occupancy rooms depending on availability, student seniority and merit. On demand, students can get single room with AC and without AC or double sharing room with AC or without AC.

The residential accommodations are coupled with:
- Well-furnished rooms
- Round-the-clock electricity
- Room coolers
- RO water supply
- Hot water
- Provision for indoor and outdoor games
- Extensive Wi-Fi connectivity across all rooms
- Special access to the library and computer lab even after normal working hours
- Gym Facility, recreation room

ASU has tied up with many agencies that provide well-furnished PG accommodation in and around Gurgaon and Sohna. Another key feature of the campus is its strategic location of being physically close to Gurgaon — one of the largest industrial hubs in Delhi-NCR. It is home to a number of MNCs, PSUs and other small and large-scale corporate houses, which facilitate an exhaustive industry dialogue for students.

FEATURED CLUBS
The ASU campus bustles with creative and innovative students who find their own unique voices and means of expression through the various clubs managed by the students. These clubs cater to a wide range of interests, including music, dance, dramatics, fine arts, photography, literature, yoga and meditation, and many others. The clubs provide students an interactive platform through which they can engage with like-minded peers and evolve in the course of mutual learning.

The University encourages its students to explore, unleash and exhibit their innovative self. The Recreation Room in the campus is one such physical space that supports this ideology.

The clubs that are the centre of student life include: ZELE – The Literary Club, PANACHE – Social & Cultural Club, Film Club, Drama Club, Rotaract Club & LEGENDS- Sports Club.
The establishment of the Corporate Resource Centre (CRC) is a crucial initiative designed to strengthen the concept of Mark to Market of Apeejay Stya University. This provides a platform for an engagement, with the industry, for the induction of ASU students. At ASU, Industry advisor/Mentor is engaged from the beginning of the curriculum development, in lieu of industry requirements in the current global scenario. This association further develops through organising industry training, workshops, joint research, joint project assignments, guest lectures, internships and finally moulding into final placements.

The mission of the CRC involves promoting academic entrepreneurship, supporting research related to new innovations and emerging technologies and coordinating strategic investments of the University. Towards this end, the CRC engages in supporting innovative projects in collaboration with the business community, the public and private sectors and other institutions. With regards to the same, it has 'ECell' in association with National Entrepreneurship Network, & is also developing an 'Incubation Cell' in association with PHDChamber of Commerceand Industry & various industry organisations.

**INDUSTRY MENTORSHIP**

ASU has initiated a special programme called 'Industry Mentorship' for its students. This programme engages prominent industry leaders as industry mentors for the students. Each school also has notable industry CEOs as part of their Advisory boards.

**TRAINING & PLACEMENT**

The Corporate Resource Centre (CRC) has initiated a drive to bridge the gap between Industry and Academia through an in-depth and extensive Training and Competency Building (TCB) Module that spans across the student’s entire on-campus study years, i.e., seven semesters for undergraduate programmes and three semesters for postgraduate programmes. The TCB Module aims at equipping & grooming students to meet the demands & challenges of the corporate world, and to identify the right kind of companies that match a student’s skills and competencies.

Corporate Resource Centre has initiated a drive to bridge the gap between Industry and Academia through an in-depth and extensive Training and Competency Building (TCB) Module that spans across the student’s entire on-campus study years, i.e., seven semesters for undergraduate programmes and three semesters for postgraduate programmes. The TCB Module aims at equipping & grooming students to meet the demands & challenges of the corporate world, and to identify the right kind of companies that match a student’s skills and competencies.
The ASU promotes academic autonomy and empowerment, risk-taking, and maintains a commitment to exploratory research across disciplines among its faculty and students. The University encourages aspiring researchers and scholars to pursue their research ambitions, aligned to the vision and the mission of the University and to emerging trends in the global market.

**ASU: A RESEARCH UNIVERSITY**
- At the PG level, participate in enquiry-based real-life case studies and the ongoing research programmes of various departments in areas of healthcare, nutrition, management, design, basic & engineering sciences & education
- Begin research at the graduate level itself, both for process and product, which is extended to the postgraduate and doctoral programmes
- Enjoy highly accessible knowledge-sharing and collaborative opportunities to participate in research
- Pursue your research interests with the state-of-the-art equipment purchased from niche companies across the world
- Avail attractive fellowships even in areas that may not fall into the regular categories of core subjects, as the University aims to increase the diversity of research and to promote interdisciplinary research
- Network with students from other national institutions/universities as ASU labs regularly host research projects of Summer Fellows selected by Indian Science Academies on all India basis
- Refine your ability to articulate ideas, to learn from others and get an opportunity to effectively communicate and defend your own research ideas and conclusions

**EXCELLENCE IN RESEARCH & GLOBAL RECOGNITION**
- ASU faculty is engaged in cutting edge researches with publications in high impact top 5-10% global science journals
- Faculty serves on international committees, and is invited to present papers and chair sessions in numerous international conferences
- The University faculty regularly publishes a large number of research journals, papers & books in areas as diverse as management, technology, education, design, biotechnology & pharmaceutical sciences
- The ASU has extensive tie-ups with industry to encourage research that is applicable to real world situations

**GRANTS**
The University supports its students and faculty in obtaining grants for the pursuit of research that builds on the founding mission and vision of the University.

**RESEARCH AT UNDERGRADUATE LEVEL**
- Commence research, an integral part of learning, at the graduate level in the very first year with short-term research projects, as part of the ASU curricula
- Enhance the learning experience with the ‘learn-while-serve’ outreach programmes involving the community, a crucial aspect of the ASU vision

---

**CENTRE FOR ENTREPRENEURSHIP & INCUBATION**

The Apeejay Stya University has established the Centre for Entrepreneurship & Incubation to provide the environment and opportunity to young minds in nurturing and fostering the development of entrepreneurial attitude. By forging a strong linkage between academics and industrial corporations, it would help to identify and address challenges of new business ventures, and aid entrepreneurs to effectively take their model/ventures/innovation forward and enhance their competitive edge in the international market. It would provide a unique mix of business development support, technical expertise, infrastructure and operational assistance that will aid in the growth and success of budding & existing enterprises.

The Centre has state-of-the-art infrastructure, laboratories & Resource Centre available both in terms of technical & non-technical fields, including the expertise of faculty and industrial advisors in innovative practices across HR, marketing, branding strategies, technology and other research & development projects. It has collaboration with associations like National Entrepreneurship Network (NEN), The Indus Entrepreneurs (TiE) & Confederation of Indian Industry (CII) and others that aim to propagate industrial growth in the country. Further linkages are being established with knowledge generating sources including universities, national laboratories, research centres, technology transfer agencies, and skilled R&D personnel.
The Apeejay Stya University is located on the Sohna-Palwal Road in district Gurgaon of Haryana. The nearest railway station is Palwal, which is approximately 18 kms away from the campus. EMU’s/Local trains and buses are available to and from Palwal. The University can be reached from Delhi via Faridabad-Palwal, as well as via Gurgaon Rajeev Chowk, Sohna.

ASU provides its students with transport facility from several key pick-up points in Delhi-NCR.

For admissions and other queries, visit the ASU Campus at Sohna or the ASU Admissions Offices & Apeejay institutions across India.
